“ We are absolutely shell-shocked to have learned of Darrell's passing over the weekend. We are truly blessed that Darrell and his entire family welcomed us with open arms to Matawan 11 years ago. He was an amazing human, father, coach, and all around great guy. His laugh could change a mood in an entirely packed gym! While Darrell is with us always in spirit now, his physical absence from our community is undeniable. Though our hearts are heavy, we lift the Rogers family in prayer and celebrate Darrell Sr's life with Michelle and their children. We love you all dearly and are here for you however you need us.
