“ So sorry for your loss Kathy and Krissy ... I will always remember your Dad for the laughs we shared from when i was a young child to just recently. What a great guy!! I remember when he first started dating your Mom...the love of his life!! I remember when he bought a new car and took a few of us out for a ride...we were just kids. I remember him always playing horseshoes at our family gatherings. I remember visiting your Dad and Mom when they lived in Virginia. That was very nice visit and the last time I saw your Mom before her passing. I spoke with your Dad just a few weeks ago. He was in good spirits and we shared a few laughs as usual. Our sincere condolences to you both. I pray that he has been reunited with those that he has loved and lost. May God bless him always...RIP Uncle Ed Love, Terry & Harry
