

Brian Rae "Red"

October 16, 1962 - April 14, 2020

Old Bridge – Francis Brian Rae, 57, joined our Lord April 14, 2020. Brian was the salt of the earth. His wife is Eileen (Davies) and his son is Brian ("Mac"). From Mac, "Beloved Dad, best friend, coach, who was ALWAYS there for me and made me the young man I am today. He never put himself first."

Brian was a hardworking provider, loving husband, ADORING father. Mac was the pride and light of his life. Brian was a great friend and neighbor. Mary and Ed McDermott loved him as a son and said he would give the shirt off his back to anyone.

His large Davies family will miss him terribly. His pups too. Eileen and Mac will somehow carry on because Dad would insist. Bask in peace now DEAREST Bri. No more pain. Ride that Harley over the rainbow!

“ Brian Rae:

I've known this kid since 1979, Best friends since high school and the firebird days, he taught me so much about fixing cars and joy of road trips and the art of bar hopping. So many good times hanging out, Vermont trips skiing or camping, always a party when we got together. Brian a very kind, generous, sharing, funny and truly a good person. He was taken way too early and not in the way anyone expected!

“ I remember Brian as a very good person. He was down to earth, smiled easily, never complained, and laughed a lot. He loved Eileen and Mackie – – and his dogs! I always saw his family as the four of them! I knew Brian when he was tall and thin, had a red ponytail, excited to play sports with Mackie, always walking the dogs, loved his truck and his motorcycle. He thought he was “Easy Rider!“ Brian was very good-natured and full of life. I was lucky to have known him. But the luckiest of all are Eileen and Mackie. They knew him the longest. Hopefully they feel comforted and recognize how fortunate they are to have been graced by Bri’s influence and involvement.

“ Brian was a member of our family for many years and in all that time I don’t think I ever saw him without a smile. Whenever he greeted you, you always felt like he was genuinely glad to see you.

He was funny and friendly and loved being part of the gang. He never turned down someone in need. It was a great comfort knowing there was someone you could count on. Brian LOVED his family. It is so sad that Brian has left this world so early and unexpectedly. He will be sorely missed. Rest In Peace, Brian. Keep them smiling in heaven.
