

## Hope Dunphy

June 1, 2019 - February 23, 2020

Hope Darlene Dunphy was a beautiful, strong baby who defied the odds and surpassed the expectations of the medical community. She survived rhinovirus and open heart surgery within her first 2 1/2 months of life. She drank vigorously from a bottle after not being expected to eat by mouth. She lovingly interacted with anyone she encountered. In her over 8 1/2 months here on earth she brought joy and love to everyone she met. Her smiles and laughter will be greatly missed as well as her beautiful singing voice that would make everyone smile. Her life is a testimony to the hope of Christ and the infinite possibilities of the God who created her.

She is survived by her parents Brien and Amy Dunphy of Howell, her siblings: Brien II, Rosie, Justin, Sarah, Laura, Liam, Landon, Luke, and Judah, grandparents Sally and Allan Dunphy of West Long Branch, her aunts and uncles: Linda and Jim Daly of Sarasota, FL, Allan and Janet Dunphy of Florence, SC, Tom and Heidi Dunphy of Verona, NJ, Sally and Lou Villanueva of Marvin, NC, as well as 14 cousins. She is predeceased by her grandparents Lou and Judy Gayoso.

A celebration of Hope's life will be held on Sunday March 8th at 2pm at Calvary Chapel Old Bridge, 123 White Oak Lane, Old Bridge, NJ 08857.

“ I did not get to meet Hope until it was too late. However, she's been a teacher to me every day. I've had an incredibly difficult 12 months and my feelings toward life have been hard and cynical.

Yet this child, with all the obstacles against her, fought to accept the gracious gift God gives us every day. It is an important lesson and a challenge to daily be the envoys of the throne to the world, provided we can get out of our own way to accept that daily gift of life.

Hope fought to the last, until the savior came and stopped that fight. She got to the place we all wish to be one day and there's no doubt she was met with the words we all pray we hear: "Well done, my good and faithful servant."

On my worst days, I think of her and how she refused to refuse (that gift of life).
