

Patricia Marie Dowd

August 9, 1964 - October 13, 2020

Patricia Marie Dowd, age 56, of Colts Neck, New Jersey passed away peacefully at home on Tuesday, October 13, 2020 surrounded by her loving family.

Born on August 9, 1964 in Akron, Ohio, Patricia was one of 5 children of Anthony and Ann Dowd.

Patricia spent much of her youth moving from base to base as her father's Air Force career had the family stationed all over the world. Eventually her family settled in Colts Neck, NJ and it was soon after that Patricia attended Rutgers University. Not long after graduation Patricia was managing a team of Commodity Brokers on the Trading Floor in the World Trade Center. After nearly 20 years of the organized chaos in the trading pits that Patti was so thrilled being a part of, she retired to undertake the most important role of her life, raising her greatest love and joy, her son Ryan. She loved nothing more than to spend cherished time with family and friends, devoting much energy and care in organizing family gatherings like her annual "Harvest Festival" or treasured get-togethers at Ortlely Beach. She also enjoyed her book clubs, cooking, scrapbooking, tennis and took great pride as CBA Team Mom and gave much of her time on the Board of St. Leo's Carnival.

Patricia was predeceased by her parents Anthony and Ann Dowd and siblings Kevin and Brian.

Patricia is survived by her son, Ryan Tumulty; her three Brothers, Matthew Dowd and his wife, Jennifer of Rumson, NJ and Jonathan Dowd and his wife Mary of Howell, NJ and Luke Dowd and his wife Tara, of Brielle, NJ, her sister-in-law Paula Dowd of Aberdeen, NJ; and many dearly loved nieces, nephews, and cousins. Among her cherished family; Patricia is also survived by her "sisters" Christina, Kathleen, and Cynthia.

"Patti", will be deeply missed.

Regrettably, due to unfortunate times of COVID-19, a private family memorial and interment will be held.

“ We are so sorry for your loss. Patti was such a warm, loving, giving woman. Heaven got an incredible angel. We have so many memories but this one is special..Patti made my family dinner on more than once occasion but this particular time I will never forget. She left us a tray full of pork chops and another tray full of mashed potatoes. I asked her how many potatoes did she make us...ten pounds was her answer. Boy I said I know we love to eat but wow, we must really look like we do. All Patti could do was laugh at me and tell us to enjoy the dinner, which we did. Whenever Nicholas went to the shore house with Ryan she opened her house to him with open arms. Nick will truly miss you Patti. He enjoyed being with you and Ryan very much. The times he spent down the shore, at the carnival and wherever else you took him are memories he will always cherish. Oh, the dine-in movie. So many happy memories. You even fed us during Hurricane Sandy. I guess we do love to eat. Nah, we just really loved your company. There's too much to write down but you were a wonderful person and your memory will last a lifetime. Thank you and Rest In Peace My Friend. Ryan, Cathy, and the entire Dowd family you are in our thoughts and prayers. Much love, Marirose, Nicholas, and the entire Sparber clan.

“ My deepest condolences to the Dowd family. The years pass by so quickly , it seems like just yesterday meeting Patti and Christine for the first time Tinsley 4th RU. Roommates for such a short time in life , but a lifetime of in my heart. So many happy memories shared shaping who I am today. A Loving and giving mother Grandmother that I attribute to the relationship between Patti and her Mom. Endless care packages and invitations home gave me new perspective in life. They were my mentors without knowing it. Though we may lost though over the years , you never left my thoughts and heart. Love forever laura

After realizing I hadn't seen Patti "on" Facebook, I just checked her page and saw that she passed away. I am in shock. It's been so long since I had seen her but I was her next door neighbor at Rutgers, Tinsley, 4th floor. She was awesome, always happy, positive and FUN! Thought of her often over the years. I'm deeply sorry for her family's loss. I'm sorry I'm just finding out now. ❤️❤️❤️

“ When Luke would bring us to the family's house down at the shore, we were always treated like family, and Patty was always a big part of that. She was a funny, kind, warm-hearted person and we all liked her very much. I will say a prayer for her family to make it through this difficult time.

“ Patty, and the entire Dowd family, were like a 2nd family to me during my college years. Even though Luke brought around us rowdy 20 something year old guys, Patty always greeted me with a big smile and genuinely seemed excited to have us around. Many fond memories at the shore. She will be missed.
