“ Patty Freel was one of the most sweetest ladies I ever meet. It all started when I was a young kid working at Jersey Lanes that I meet her. She always went out of her way for people and was fun to talk to. Little did I know we would be working together for a long time. She always remembered my birthday even when she retired their was always a card in the mail up until the day she passed which was on my birthday! Your were a great friend and I will always remember you! You earned your wings God Bless You.

“ To Jimmy (and the rest of the Freel Family), my sincere condolences on the passing of your mother. Ms. Freel was a kind, friendly woman. I first met her when I was in elementary school and she was so sweet to us kids. She loved watching us play baseball and she (and Grandma Freel) hardly ever missed a game. If we needed a ride to school or a baseball game, she was there. If we were hungry after a game, she always offered to make us a quick sandwich. We all grew up in her house on Grier Avenue. We always felt welcome.

Rest easy, Ms. Freel. Thank you for being a wonderful lady.  
We are forever grateful for the love and kindness you showed over the years.

“ How does one describe Pat Freel. She was humble, caring, a person of few words and never complained while she had a lot that she could complain about. She love her family and was always there for them. Her grandchildren and son were her pride and joy. You would find Pat at every sporting event of theirs that she could make. Hopefully we can learn from Pat’s example. Knowing her has been a blessing for us all. May you, Patricia Freel, Rest In Peace. We will dearly miss you. Gerry Galdieri
