“ Such sad news. When my Mom told me Wade had passed it brought back a lot of great memories of Wade & Clint spending afternoon's at my Mom's house when they were kids. I don't recall what Brother it was but one had a taste for some pretty exotic snacks, Squid Flakes if I recall. I know they dared me to try it, but since they were only about 7 with no money, it was not going to happen. Even before he passed my Mom said how kind Wade always was to her. When someone can show that kindness, despite what ever they are battling, that in my book is a good Man. God Bless and Peace. - Rob Costello

“ There are so many memories of happy times with Wade. He will be remembered fondly by me and all of my family and Cali will grow up knowing her Daddy loved her. The love is in his eyes and pride for his daughter is clear in many photos. Angelina, Gerard and Clint, I wish there were words we could say or something we could do to ease your pain, but there is not. Just know that you are in our thoughts and prayers. May God give you strength.
